

About Graham Partners

Graham Partners is a private investment firm focused on investing in technology-driven companies that are spurring innovation in advanced manufacturing, resulting in product substitutions, raw materials conversions, and disruptions to traditional end markets. Graham Partners can offer control or minority capital solutions and typically targets companies with EBITDA between \$5 million and \$50 million, and will invest in smaller companies to the extent they complement one or more of its other holdings. Since the firm's founding in 1988 by Steven Graham, Graham Partners has closed over 130 acquisitions, joint ventures, financings, and divestitures. The committed capital raised since inception through the Graham Partners funds together with Graham led co-investments totals approximately \$3.4 billion,* which differs from Regulatory Assets Under Management. Investors include university endowments, charitable foundations, financial institutions, and private investors. Based in suburban Philadelphia, the firm has access to extensive operating resources and industrial expertise and is a member of [The Graham Group](#), an alliance of independent operating businesses, investment firms and philanthropic entities, which all share in the common legacy of entrepreneur Donald C. Graham, and among which include Graham Partners and the Graham Partners funds it manages.
